Commissioners Open Bids on Dump Truck, Plow Monday

Jones County Commissioners Court opened bids on two items at their monthly session Monday and in one action bought a dump truck and in the other sold a one-way plow.

Lem Ruark of Precinct 3 had the plow, which he says was owned by the precinct when he took over. The plow was not being used so it was advertised for sale. High bid was \$105. Only two bids were submitted with the other being \$33.

Trail Chevrolet Co. of Stamford bid \$385 difference on the sale of the dump truck for Precinct 2. Traded in was a rubber tired front-end loader. The truck was two-ton capacity and was minus the bed. Only one bid was submitted.

The question of county officials or employees attending conventions and short courses came up for a lengthy discussion. It has been the policy of the county not to allow any expense money for officials at

such gatherings. If an elected official attends, it must be at his own expense.

This policy was reaffirmed at the meeting Monday.

Approved was payment of the county's share of moving a West Texas Utilities Company pole which is now located in what will become a channel easement under the new highway 277. County Judge Leon Thurman explained that the pole had been moved once but at that time the county had not been informed that the channel easement would be necessary.

The First National Bank of Anson was selected as official county depository, principally because of convenience. A bid also was received from Farmers and Merchants National Bank of Hamlin.

The Hamlin Bank offered to pay the going rate of interest on time deposits, whereas the Anson bank offered no interest.

It was brought out by County Auditor Carl Savage, however, that the county has no funds which could be put into time deposits.

"We have all our surplus or inactive money invested in government bonds or government bills with all earning better than four per cent."

Judge Thurman stated that \$57,000 in bonds will mature next Monday. These have been earning a much lesser amount but negotiations have already been started to reinvest this money at 4.09 per cent.

In their proposal, the Anson bank offered to handle all this bond purchasing and handling without cost.

Commissioners discussed the amount of trouble that would be involved with all money of the county on deposit in another town. Daily deposits are made by the tax collector and often by the county clerk. All involved would be the district clerk, sheriff and justice of the peace.

"I'd like to see the deposits passed around but it would be very inconvenient," one commissioner said.

Some discussion was held on insurance on the court house and on repairs that are needed. Some time ago, Judge Thurman obtained a price of something like \$1700, he said, for pointing up the brick in the building. Water is seeping through the walls and ruining the plaster in places. No action was taken at the time.

Monday, it was mentioned, the boiler in the basement is leaking again and will need attention. Some talk was had as to the feasibility of making repairs. New cost of the unit was said to be about \$5,000.

The building has been reclassified for insurance purposes. In the past it has been rated as fireproof but now it is classified as brick building.

This, the commissioners were reminded, will mean that the premium will be increased. Total value of insurance carried on the building in the past has been \$272,000 with the county being co-insurer up to 50 per cent.

Commissioners were reminded that 50 per cent co-insurance no longer would be available. The insurance is divided among just about all the insurance agencies in the county, it was said.

The court will wait until a new rate has been received before taking any definite action on renewing insurance.

Rites Held Friday in Turkey for Mrs. Minnie Shepherd

Services were held Friday at 2:30 p. m. in Turkey Church for Mrs. Minnie Shepherd, a resident of Hamlin.

Lodge also last October Mrs. Shepherd died at 2 p. m. Wednesday at the age of 81.

Born Jan. 10, 1884 in Kentucky, she was married to Richard Shepherd in Missouri. He was a farmer and tanner. They moved to Turkey in 1927. She passed away in 1955.

Post Office Remodeling Nears Finish

Work on the remodeling of the Post Office building is progressing in the four weeks work was completed Tuesday afternoon.

Perry Spauld, local postmaster, said Tuesday that the new house had been shipped from up north Jan. 27 and is expected anytime. He estimated the office could be moved back between the first and fifteenth of March.

The Post Office is temporarily located in the Hansen building in the 300 block of South Central.

Remodeling of the building, owned by Carmichael Bros. of Abilene, includes the additional space of the office formerly occupied by the Hamlin Board of Community Development, new windows and exterior brick on the front of the building, painting, and year round air conditioning.

Trustee Election Set for April 3

Richard Young Jr., and Joe Hudspeth have announced that they will seek reelection to the two positions they now hold on the Hamlin Independent School District Board of Trustees. The election will be held April 3, 1965.

Anyone desiring to enter the race for trustee must file with Mrs. J. O. Murphree at the superintendent's office in the High School building.

Absentee voting in the election may be done between March 15 and March 30. Ballots will be available in the superintendent's office.

A. B. Chaston was appointed election judge with Mrs. C. C. Prather and Mrs. Murphree as clerks at the Board of Education meeting Monday night.

'Small Farm' Operators Do Not Have Signup for Cotton Program

The signup now being held for the 1965 domestic allotment program for upland cotton will be only for operators of farms where the domestic allotment is less than the effective allotment, J. Noel Weaver, Chairman, Agricultural Stabilization and Conservation Jones County Committee, announced today.

Piperettes Lose Paint Creek in H-SU Tourney

The Piperettes fell to Paint Creek, 39-34, in the consolation finale of the Hardin-Simmons Girls' High School Invitational basketball tournament Saturday night in Abilene.

Paint Creek won the game in the waning seconds on two free throws by Patricia Medford, who was high pointer for the Paint Creek girls with 17 points.

Judy Jenkins, who was named on the first team all-tournament team, scored 29 points for the Piperettes.

Guard Linda Bailey was named to the second team all-tournament team.

The Hamlin girls lost their opener Thursday night with Aspermont, 35-30, and then went on to defeat Roby, 54-51, and Haskell, 41-32, to end up in the consolation finale.

Judy Jenkins set a new Hamlin High School girls scoring record Friday when she scored 30 points against Roby.

for being selected the outstanding band in Class A. The competition in this class included bands from Denver City. The band members are pictured in the photo following the Festival.

Hamlin School Board Announces Desegregation Policy for System

The Hamlin Board of Education voted Monday night at their regular meeting to have the board's policy in regard to desegregation of the Hamlin Independent School District published in The Hamlin Herald in order to comply with the new Federal Civil Rights Law.

In August of 1964, the board passed the following policy: "No student in the Hamlin Independent School District shall on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance."

Failure of the board to make this policy public would deprive the district of some \$40,000 to state and federal funds.

According to local school officials, this would be in the lunchroom program, the Homecoming and Vocational Agriculture programs and the National Defense Education Act.

Officials of the school said that there are no plans to close the DePriest School. It said that the facilities of the School District are made available to any person of any race, regardless of race, color or national origin, and that students have the right to attend the school of their choice.

When the school board adopted the desegregation policy in August it informed the school officials to admit any student of school age to any of the district's facilities but did not make any public notice of the fact.

Under the provisions of the Civil Rights Act of 1964, this plan is not satisfactory unless it contains specific assurance that ample notice will be given to pupils, parents and the general public of the plan.

Pipers Lose to Ballinger, 70-67, In Overtime

The Pipers lost their final home game of the season here Tuesday night to Ballinger in an overtime scrap, 70-67. The Pipers owned a 12 point lead with three minutes left, but by the end of the fourth quarter the Bearcats had tied it up.

Ballinger scored nine points in the overtime period while the Pipers managed only six. The Piperettes won the girls game, 43-25.

Both the Pipers and the Piperettes will close out the season Friday night when they journey to Anson to take on the Tigers.

Friday night the Pipers fell to Colorado City, 94-66.

3 Council Posts Up for Election

The terms of three City Councilmen expire this year at the election for these posts will be held April 6. Councilmen whose terms expire are George Campbell, Cecil Sellen and Irby Weaver.

None of the three men are filled for reelection as of Wednesday of this week. Deadline for filing for office is noon March 6.

While Weaver was elected to the council only last year was to fill the vacancy created when Hollis Madden resigned to run for mayor.

Feed Grain Signup Underway

The signup for the 1965 feed grain program now is under way in the ASCS County Office. J. Noel Weaver, Chairman, Agricultural Stabilization and Conservation Jones County Committee, has announced. The signup period started Feb. 8 and will continue through March 26.

The chairman explained that the program for 1965 is basically the same as in 1964. It is voluntary, and combines corn, grain sorghum, and barley is a single feed grain base. Participating farmers will qualify for diversified acre and price-support payments, and they will be eligible for price - support loans.

Farmers who take part in the program may divert for payment as small an acreage as 20 per cent of the farm's feed grain base or as large an acreage as 100 per cent of the base — or 2 1/2 acres, if this is larger.

Two rates of diversion payment are offered. The lower rate applies to the 20 per cent of the feed grain base actually diverted. The higher rate applies to diverted acreage in excess of the minimum.

If both the intended diversion and the acreage actually diverted are equal to at least 40 per cent of the base, the higher rate applies to the entire acreage diverted.

New provisions in the 1965 program include: (1) an opportunity to substitute feed grains for wheat or wheat for feed grains by growers who take part in both programs, and (2)

Application to take part in the 1965 feed grain program may be filed in the ASCS County Office from Monday through Fridays at any time between the hours of 8 a. m. and 5 p. m.

Mike Shivers Signs With Baylor Tuesday

Mike Shivers, Hamlin's tremendous pass catching end, signed a pre-enrollment application with Baylor University here Tuesday afternoon. Making the prize catch for Baylor was Herb Zimmerman, assistant football coach.

Zimmerman said, "We are real proud to get Mike, he will fit into our program real well — he is a fine receiver and we like to pass."

Shivers was selected on the Star Telegram's Class 2-A All State team as the standout lineman and then as the only 2A boy on the same paper's "Super" All-State team.

Shivers speared 50 passes for 1,039 yards and nine touchdowns for the Pied Pipers.

Shivers was also named outstanding lineman in the Abilene Reporter-News all-area selections. This was Shivers' second year to be named to this team.

MIKE SHIVERS signs with Baylor

Shivers will sign a letter of intent with Baylor after he finishes basketball and track this spring.

Shivers is the son of Mr. and Mrs. L. W. Shivers and is a three year letterman in football and a standout basketball player.

James Loyd Burkhardt, senior petroleum engineer for Pan American Oil Co., has been promoted to area petroleum engineer with headquarters in Hamlin.

Burkhardt, son of Mr. and Mrs. Loyd Burkhardt, will assume his duties March 1. He and his wife, the former Jane Lynn Irwin of Hamlin, have three children. They have been living in Fort Worth.

Motorists Apparently Over Their Filtation Speed Limit Increase to 70

Motorists apparently are over their fiftieth birthday when it comes to speed limits. The Highway Department has announced a year later, and fifties for the most part are now observing the speed limit.

Take passenger cars, for instance. The Highway Department radar - checked speeds of at least 25,000 of them in 30 locations scattered over the state.

In 1953, a fraction more than 11 per cent of the motorists were clocked at more than 70 m. p. h. A year later—under the same highway conditions, and in the same places—the figure had dropped to just 5.1 per cent.

It was the same pattern across the board, with pickups, trucks and buses logging dramatically reduced speeds.

Why were speeds up so high after the legislature hiked speed limits by 10 m. p. h.?

"We're engineers, not psychiatrists," said one Highway Department official, "but it seems that it was just a firtation. Motorists had a sudden new freedom to go ten miles an hour faster. In exercising that freedom, some of them said 'what the heck' and went for broke."

SALES CAMPAIGN WINNER — Garland Preston, presents a plaque to Travis T. Wallace, board chairman of Great American. Preston won the honor of presenting the plaque to Wallace by winning the Abilene Agency's recent sales campaign. He flew to Dallas to present the plaque.

How come they slowing down a year later, then?
"The novelty wore off. At least that's all we can figure. It's admittedly just a guess."

needs. The Highway Department designs, builds and maintains Texas highways. It determines safe speeds, signs and signs highways, but does not have police or enforcing authority.

Last October and November the Highway Department surveyed vehicle driving practices of more than 25,000 motorists. Concealed radar units were set up at 30 locations on key highways during an eight hour period.

Average speeds of all vehicles surveyed last summer was 56.5 miles an hour. A year before, just after the new speed limits became effective, the average speed was 59.3 m. p. h. And just before the new speeds were posted, the average had been 58.5 m. p. h.

In all vehicle categories, speeds seem to be leveling off from highs recorded during the period of "firtation."

Of all vehicles surveyed only 3.6 per cent were exceeding the 70 m. p. h. speed limit last fall. A year earlier, 8 per cent of vehicles of all kinds were breaking 70.

Mr. and Mrs. Troy Dean Williams are parents of a son, Jeffrey Don, born Feb. 8 at 12:30 p. m. He weighed 6 lbs. 14 ozs.

County Agent Warns That Lice Are Listed as Most Damaging Beef Cattle Parasite in United States

Lice are responsible for rather serious monetary losses to the beef cattle industry, according to Jones County Agent, Kirby Clayton. Unfortunately, many of the losses are not very obvious and consequently do not seem to be of importance to many cattlemen. Thus, each year lice continue to take their toll on beef cattle profits and are listed as the most damaging beef cattle parasite in the United States.

Cattle lice infest all kinds of cattle, but the greatest losses, says Clayton, come in young animals and especially other animals. Three types of lice infest cattle in West Texas. These are the long-nosed cattle louse, the short-nosed cattle louse (sucking - types), and the little red cattle louse (biting types). Sucking lice are larger than chewing lice, and are slate blue in color. They feed by piercing the skin and sucking blood. Chewing lice are yellowish with red heads and dark bands across their bodies. They are smaller than sucking lice, and feed by chewing the skin.

Sucking lice are usually found on the sides of the neck, brisket, back, inner surface of the thighs, tail, and the head around the nose, eyes, and ears. The entire body may become infested. Chewing lice are usually found on the withers and around the root of the tail, but they may infest other parts of the body.

Infested cattle spend much time rubbing against fences and other objects. Even though the lice seldom cause death, the economic loss to beef production can be very large.

A heavy lice infestation takes its greatest toll by reducing weaning weights of calves. Cows infested with lice are required not only to feed themselves and their calf but also a population of lice. These insects also cause a great deal of annoyance and discomfort to infested animals. Allowing cows to be weakened by a heavy infestation can also decrease per cent calf crop. In the feed lot lice can reduce gain and increase the feed required per pound of gain.

Cattle lice population build rapidly when the weather cools off in the fall. Only a few lice live through the summer. In the fall, the mature lice lay their eggs by attaching them to the hair of the animals.

The eggs of the sucking lice hatch in 17 to 21 days. It then takes about two weeks for them to reach maturity and start a new generation. Thus several generations may occur during the winter. The eggs of

Home Owners Can Avoid Later Troubles by Buying Healthy Plants

Home owners can head-off later troubles by purchasing only disease-free and healthy plants, advises County Agent Kirby Clayton.

He offers the following suggestions to those who may soon be buying transplants or nursery stock. If at all possible, check the roots systems to see they are free of such diseases as rots, galls or knots. Avoid buying any plant that does not have a healthy appearing root system.

Also, make sure the stems of the plant or plants are healthy in appearance. Dead areas or cankerous - type lesions often found on stems may later develop and kill the plant, he warns. Then too, he adds, diseases can be carried to

healthy plants already growing through the planting of them with disease.

When purchasing bulbs, make sure they are not discolored and do not have stub type lesions on the surface. Healthy bulbs will have smooth surfaces free from spots and pittings, the agent says.

Watch for signs of leaf spot on evergreens and check their color for uniformity and a healthy growing condition. It may be money well spent to buy the top grades of nursery stock, says Clayton.

Because some ornamentals are extremely susceptible to diseases which occur in a given area, the county agent suggests that only plants with resistance to these diseases be selected. Cotton root rot for example, is very common over much of Texas and should be considered when plants are being selected. A list of plants which show the most tolerance for this disease is available at county Extension offices. Ask

For a copy of the "List of Plants Susceptible to Diseases" from the county agent, Kirby Clayton, at the county Extension office, 1001 S. 1st St., Hamlin, Texas.

Most plant diseases, Clayton can be prevented and the logical starting point for a disease control program is the planting of disease-free stock.

order beginning Feb. 27. Dr. Thomas F. Johnson of Midland will be the instructor.

Mrs. Service White and Judy were in Abilene on Tuesday of last week. They also visited Wylie School and had lunch with Mrs. V. R. Leverett at the Wylie School Cafeteria.

It was announced last week that V. R. Leverett has been given a three-year contract as superintendent of Wylie Independent School by the board of trustees.

Mr. Leverett had been superintendent of Old Glory School for ten years when he resigned last fall to accept the position at Wylie.

Mrs. Andrew Anderson of London spent several days last week with her sister, Mrs. Henry Schmidt and Mr. Schmidt.

Mr. and Mrs. Gene Linder and daughter, Tracy of Abilene, were dinner guests Sunday in the home of Mr. and Mrs. T. W. Jennings on the Rayner Ranch.

News has been received by relatives and friends of Vernon McBroom of his serious illness in a hospital in Corpus Christi. Vernon is the son of Mrs. John McBroom of Haskell and her late husband, who were long-time residents of Old Glory.

We wish him a hasty recovery. Mr. and Mrs. Floyd P. Davis of Abilene, former residents of Old Glory area, are announcing the engagement and approaching marriage of their daughter, Mary Lou, to Douglas Wayne Lee, son of Mrs. Pauline Williams of Austin.

Mr. E. R. Harper will officiate for the couple's wedding at 7:30 p. m. Mar. 5, in Highland Church of Christ in Abilene.

Lee is a graduate of San Benito High School and attended Abilene Christian College. He is employed in Peoria, Illinois by the Caterpillar Company.

Miss Davis is a graduate of Abilene High School and is employed by Taylor County Attorney, James E. Jeffrey.

Beno Heritberger has returned home and is doing well after undergoing surgery in Wichita Falls last week.

Recent guests in the home of Mr. and Mrs. Lynn Flowers were the following relatives: Mr. and Mrs. J. C. King, San Angelo, Mr. and Mrs. Dan Hud-

son and Mrs. Michael Jones of Pampa, Ark., Mr. and Mrs. Elmer Schubert, Pampa, Ark., Mr. and Mrs. Glenn Hahn, Houston, Tex., R. L. Chabon and his sister, Mrs. Jacob Hahn, both of Jackson, Miss. Other guests who called were Mr. and Mrs. Bill Tipton and Patti Hershman, Mr. and Mrs. A. F. Hays and Mr. and Mrs. Ben Klump.

Mr. and Mrs. Herbert Klump visited relatives in Lubbock last Saturday.

Mr. and Mrs. Garrett Spitzer and Weldon and Mrs. W. G. Winkler were in Lubbock last week and visiting Mr. Winkler who is in a rest home there. They also visited the Ray Winkler and other relatives and friends there.

V. R. Leverett, Sharon and Jimmy of Abilene attended church here last Sunday and visited with the family of Leverett. Sharon also visited Judy White.

Mr. and Mrs. Morris Garner were in Abilene last week and visiting with their son and family, the Loy Garners.

5,730 to Take Army Examinations

AUSTIN — State draft boards will forward around 5,730 males for Army mental-physical examinations in March — 4,150 of whom will be 18-year-olds, Colonel Morris S. Schwartz, state Selective Service director, said Tuesday.

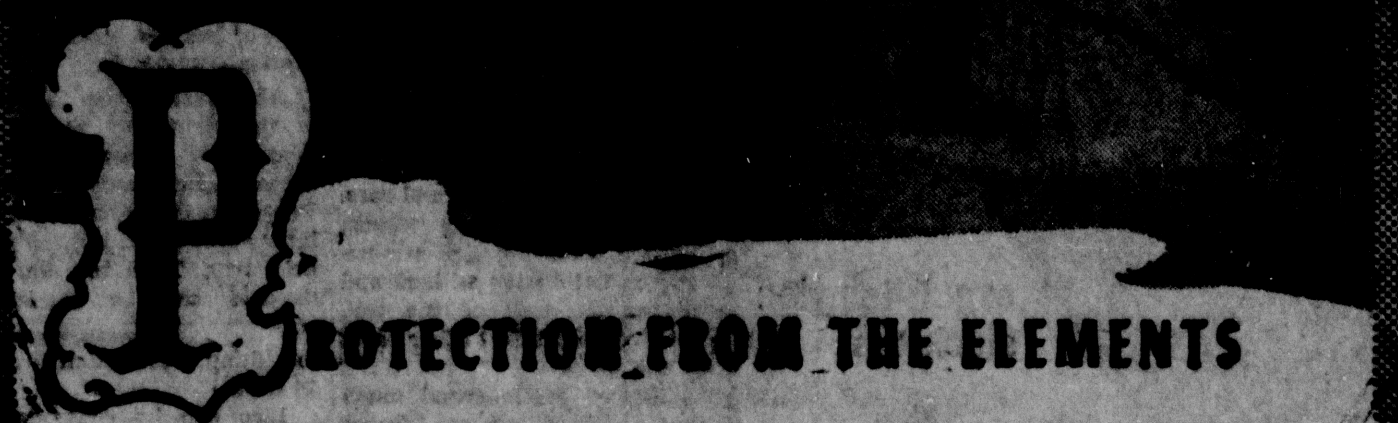

These tests for 18-year-olds are the result of President Johnson's action in 1964 which ordered the Director of Selective Service and the Secretary of Defense to examine all newly registered men who are out of school and available for service. Males married at age 18 and those known to be in school at that age will not be examined.

Colonel Schwartz stressed that these youths will not be considered for the armed forces at this time. Normally, draft for service is about age 22.

The state draft quota for March calls for 155 men, compared to 119 for February. The March quota is the Texas share of a national call for 3,900 men, all for the Army.

The March quotas already have been figured and sent to the state's 137 local boards.

Casa Grande, now a National Monument, is a four-story apartment house built 600 years ago by Salado Indians in Arizona.

PROTECTION FROM THE ELEMENTS

At this time could be the time for you to find that there is nothing between Texas and the North Pole but a barbed wire fence. That certainly gives you the idea that in Texas you're not given much protection from the cold North wind.

There are times when you might think there is no protection and comfort afforded from the hardness and cruelty of the world. But there is a buffer between you and the world. This help and protection is the church. As members of the church, you are with good people of like minds who love you, pray with you, comfort you and assist you. They are the ones who "by love serve one another." (Gal. 5:13)

We invite you to attend the church of your choice this week. You will find a warm welcome there.

"And this commandment we have from him, that he who loveth God love his brother also." 1 John 4:21

The Church is God's appointed agency in this world for spreading the knowledge of His love for you and the demand for men to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society in any way of life will long prosper and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about ourselves, about God and about the world which we live in. It is the truth which sets us free from the bondage of sin.

YWA's Present White Bible to Barbara Embrey

The Lavonia Duck Y.W.A.s of Central Avenue Baptist Church presented Miss Barbara Embrey with a white Bible Sunday night. Miss Sheila Stone, president, told of the house of happiness which can be attained with God's guidance.

The Y.W.A. girls lighted candles of different colors, representing various moods, from the white candle held by their director, Mrs. William Irwin, and formed a semicircle around Barbara. The pastor, Rev. William G. Irwin, presented the white Bible as members of the YWA quoted Psalm 119:105, "Thy word is a lamp unto my feet, and a light unto my path."

Visitors were Mrs. Routh and Mrs. Calvin Bailey.

FAIRVIEW NEWS

Mr. and Mrs. Jimmy Johnson

Winter in South Texas might be a blessing for some, but for the Johnsons it was a curse. To quote the Johnsons, "We haven't had the cold weather, we might say the frost trees were in bloom, in some places, even before January was over. Since they are blowing to carry these probably won't be any frost of any kind in this area, however, this is West Texas, you can't make any true predictions."

Little Kenneth Wright was carried to the hospital last Saturday night with high fever. He had a severe throat infection, and it is hoped that he will soon be recovered.

Mrs. Henry is feeling much better, but wasn't up to getting off to church Sunday.

Jimmy Johnson is reported to still be improving in the hospital in his fight after suffering a heart attack.

Mr. and Mrs. Flavil Holmes went to the Spring Sunday afternoon to see Jimmy.

Eleven adults were present Wednesday night to participate in the study course. Since the study course will run for three Wednesday nights, the Family night for January was not held, but will be continued in February.

Mr. and Mrs. E. A. Henry visited with Mr. and Mrs. Joe Ford, Friday afternoon.

Saturday afternoon Mr. and Mrs. Ford visited with the Woodrow Goodwins.

Mr. and Mrs. Fred Rosenbaum went to see Mr. and Mrs. Flavil Holmes Saturday night.

Kay McCoy came home from Texas Tech last week end to get her new car, which replaces the one demolished in the wreck Jan. 9. This one is an aquamarine blue Comet. May she have better luck with this one. Kay is fully recovered from the affects of the wreck.

Mr. and Mrs. Woodrow Goodwin were Sunday afternoon visitors of the Raleigh Bonds.

Mr. and Mrs. Joe Murff moved to Hamlin last week after having lived the past year in the Rose house. They bought the home of Mr. and Mrs. Curtis Martin on Avenue A. Mrs. Martin recently passed away and Mr. Martin went to live with his daughter after selling his home.

Monday night visitors of the Rosenbaums were Mr. and Mrs. E. L. Ford. Mr. and Mrs. Elmer Joiner visited them Tuesday night. They entertained both nights with some hot games of 42.

Word has been received that the Rev. Doyle Combs has resigned from his Andrews church, Sunday being his last day there. They moved their belonging last week to Strawn, Texas, where he will publish a newspaper.

Sunday afternoon visitors of Mr. and Mrs. Winson Gray were Mr. and Mrs. Mel Jones.

McCauley Jr. 4-H Club Meets Feb. 9 With 16 Present

The McCauley Jr. 4-H Club met Feb. 9 at the McCauley Homemaking Building with 16 members and three leaders present.

Kathy Maherry, vice president, presided.

The club motto, pledge and prayer were led by Prescilla Reed and Phyllis Cleveland.

Mrs. W. D. Cleveland gave a talk on District Captain teams. They made plans for demonstration teams to go to district.

Ann Kemp, Junior leader, gave a demonstration on making cookies and served them to the group.

Adult leaders present were Mrs. Jerry Maherry and Mrs. and Mrs. W. D. Cleveland.

The next meeting will be Feb. 23 with Mrs. Alice Ballinger, Fisher County Home Demonstration Agent, and James Newman, Fisher County Agent, directing the demonstrations.

Central Avenue Baptist WMS Sets Meeting Tuesday

The Women's Missionary Society of First Baptist Church and of Central Avenue Baptist Church will meet together Tuesday, February 16 for a covered dish supper and religious study. The meeting will begin at 5:30.

The book, "Wings of Change" by Gerald Palmer, will be taught by Mrs. William Irwin. This book is a study of missions within the United States. All women are urged to attend.

Commissioners Open Bids on Dump Truck, Plow Monday

Jones County Commissioners Court opened bids on two items at their monthly session Monday and in one action bought a dump truck and in the other sold a one-way plow.

Lem Ruark of Precinct 3 had the plow, which he says was owned by the precinct when he took over. The plow was not being used so it was advertised for sale. High bid as \$105. Only two bids were submitted with the other being \$33.

Trail Chevrolet Co., of Stamford bid \$999 difference on the sale of the dump truck for Precinct 2. Traded in was a rubber tired front-end loader. The truck was two-ton capacity and was minus the bed. Only one bid was submitted.

The question of county officials or employees attending conventions and short courses came up for a lengthy discussion. It has been the policy of the county not to allow any expense money for officials at

such gatherings. If an elected official attends, it must be at his own expense.

This policy was reaffirmed at the meeting Monday.

Approved was payment of the county's share of moving a West Texas Utilities Company pole which is now located in what will become a channel easement under the new highway 277. County Judge Leon Thurman explained that the pole had been moved once but at that time the county had not been informed that the channel easement would be necessary.

The First National Bank of Anson was selected as official county depository, principally because of convenience. A bid also was received from Farmers and Merchants National Bank of Hamlin.

The Hamlin Bank offered to pay the going rate of interest on time deposits, whereas the Anson bank offered no interest.

It was brought out by County Auditor Carl Savage, however, that the county has no funds which could be put into time deposits.

"We have all our surplus or inactive money invested in government bonds or government bills with all earning better than four per cent."

Judge Thurman stated that \$57,000 in bonds will mature next Monday. These have been earning a much lesser amount but negotiations have already been started to reinvest this money at 4.09 per cent.

In their proposal, the Anson bank offered to handle all this bond purchasing and handling without cost.

Commissioners discussed the amount of trouble that would be involved with all money of the county on deposit in another town. Daily deposits are made by the tax collector and often by the county clerk. Also involved would be the district clerk, sheriff and justice of the peace.

"I'd like to see the deposits passed around but it would be very inconvenient," one commissioner said.

Some discussion was held on insurance on the court house and on repairs that are needed. Some time ago, Judge Thurman obtained a price of something like \$1700, he said, for pointing up the brick in the building. Water is seeping through the walls and ruining the plaster in places. No action was taken at the time.

Monday, it was mentioned, the boiler in the basement is leaking again and will need attention. Some talk was had as to the feasibility of making repairs. New cost of the unit was said to be about \$5,000.

The building has been reclassified for insurance purposes. In the past it has been rated as fireproof but now it is classified as brick building. This, the commissioners were reminded, will mean that the premium will be increased. Total value of insurance carried on the building in the past has been \$272,000 with the county being co-insurer up to 50 per cent.

Commissioners were reminded that 50 per cent co-insurance no longer would be available. The insurance is divided among just about all the insurance agencies in the county, it was said.

The court will wait until a new rate has been received before taking any definite action on renewing insurance.

Rites Held Friday in Turkey for Mrs. Minnie Shepherd

Services were held Friday at 2:30 p. m. in Turkey Church of Christ for Mrs. Minnie Shepherd, a resident of Holiday Lodge since last October. Mrs. Shepherd died at 2 p. m. Wednesday at the age of 61.

Born Jan. 10, 1871 in Kentucky, she was married to Richard Shepherd in Missouri. He was a farmer and trapper. They moved to Turkey in 1927. He passed away in 1938.

Post Office Remodeling Nears Finish

Work on the remodeling of the Post Office building is progressing as the floor covering work was completed Tuesday afternoon.

Perry Sparks, local postmaster, said Tuesday that the new boxes had been shipped from up north Jan. 27 are expected anytime. He estimated the office could be moved back between the first and fifteenth of March.

The Post Office is temporarily located in the Hassen building in the 300 block of South Central.

Remodeling of the building, owned by Carmichael Bros. of Abilene, includes the additional space of the office formerly occupied by the Hamlin Board of Community Development, new windows and exterior brick on the front of the building, painting, and year round air conditioning.

Trustee Election Set for April 3

Richard Young Jr., and Joe Hudspeth have announced that they will seek reelection to the two positions they now hold on the Hamlin Independent School District Board of Trustees. The election will be held April 3, 1965.

Anyone desiring to enter the race for trustee must file with Mrs. J. O. Murphree at the superintendent's office in the High School building.

Absentee voting in the election may be done between March 15 and March 30. Ballots will be available in the superintendent's office.

A. B. Carlton was appointed election judge with Mrs. C. C. Prather and Mrs. Murphree as clerks at the Board of Education meeting Monday night.

'Small Farm' Operators Do Not Have Signup for Cotton Program

The signup now being held for the 1965 domestic allotment program for upland cotton will be only for operators of farms where the domestic allotment is less than the effective allotment, J. Noel Weaver, Chairman, Agricultural Stabilization and Conservation Jones County Committee, announced today.

Piperettes Lose Paint Creek in H-SU Tourney

The Piperettes fell to Paint Creek, 39-38, in the Consolation Finals of the Hardin-Simmons Girls' High School Invitational basketball tournament Saturday night in Abilene.

Paint Creek won the game in the waning seconds on two free throws by Patricia Medford, who was high pointer for the Paint Creek girls with 17 points.

Judy Jenkins, who was named on the first team all-tournament team, scored 29 points for the Piperettes.

Guard Linda Bailey was named to the second team all-tournament team.

The Hamlin girls lost their opener Thursday night with Aspermont, 36-36, and then went on to defeat Roby, 54-51, and Haskell, 41-32, to end up in the consolation finals.

Judy Jenkins set a new Hamlin High School girls scoring record Friday when she scored 30 points against Roby.

for being selected the outstanding band in Class AA. The competition in this class included Phillips and Denver City. The band members are pictured in Canyon following the festival.

Hamlin School Board Announces Desegregation Policy for System

The Hamlin Board of Education voted Monday night at their regular meeting to have the board's policy in regard to desegregation of the Hamlin Independent School District published in The Hamlin Herald in order to comply with the new Federal Civil Rights Law.

In August of 1964 the board passed the following policy: "No student in the Hamlin Independent School District shall on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance."

Failure of the board to make this policy public would deprive the district of some \$40,000 in state and federal funds,

Pipers Lose to Ballinger, 70-67, In Overtime

The Pipers lost their final home game of the season here Tuesday night to Ballinger in an overtime scrap, 70-67. The Pipers owned a 12 point lead with three minutes left, but by the end of the fourth quarter the Bearcats had tied it up.

Ballinger scored nine points in the overtime period while the Pipers managed only six. The Piperettes won the girls game, 43-25.

Both the Pipers and the Piperettes will close out the season Friday night when they journey to Anson to take on the Tigers.

Friday night the Pipers fell to Colorado City, 94-66.

3 Council Posts Up for Election

The terms of three City Councilmen expire this year and the election for these posts will be held April 6. Councilmen whose terms expire are George Campbell, Cecil Sells and Irby Weaver.

None of the three men has filed for reelection as of Wednesday of this week. Deadline for filing for office is noon March 6.

While Weaver was elected to the council only last year, he was to fill the vacancy created when Hollis Madden resigned to run for mayor.

Feed Grain Signup Underway

The signup for the 1965 feed grain program now is under way in the ASCS County Office of J. Noel Weaver, Chairman, Agricultural Stabilization and Conservation Jones County Committee, has announced. The signup period started Feb. 8 and will continue through March 26.

The chairman explained that the program for 1965 is basically the same as in 1964. It is voluntary, and combines corn, grain sorghum, and barley is a single feed grain base. Participating farmers will qualify for diversified acre and price-support payments, and they will be eligible for price - support

payments. Farmers who take part in the program may divert for payment as small an acreage as 20 per cent of the farm's feed grain base or as large an acreage as 50 per cent.

Two rates of diversion payment are offered. The lower rate applies to the first 20 per cent of the feed grain base actually diverted. The higher rate applies to diverted acreage in excess of the minimum.

Robert J. Haynes, graduate of Hamlin High School, was one of 74 students at South Plains College, Levelland, making the Dean's Honor List for the fall semester.

If both the intended diversion and the acreage actually diverted are equal to at least 40 per cent of the base, the higher rate applies to the entire acreage diverted.

New provisions in the 1965 program include: (1) an opportunity to substitute feed grains for wheat or wheat for feed grains by growers who take part in both programs, and (2)

a special provision for designated varieties of malting barley. Under certain circumstances producers may apply to overplant their barley base acreage by 10 per cent. A producer electing this option will be eligible for the full county hard support rate, based on a national average of 96 cents per bushel, but he will not be eligible for barley diversion price-support payment.

Application to take part in the 1965 feed grain program may be filed in the AS County Office from Monday through Fridays at any time between the hours of 8 a. and 5 p. m.

Doyle Ponder, manager of Pied Piper Farms, was elected a director of the Texas Herd Association at the annual banquet and membership meeting held in Fort Worth on Feb. 1, during the Southwestern position and Fair Stock Show.

Other officers of the association are: Roy Herrin, chairman; H. A. Fitzhugh, Antonio; R. Rust Largent, Davis and F. Jake Ross, vice presidents.

A portion of the program will be the presentation of colored slides taken of the 1964 Texas Exposition held here.

Families of the Cub Scouts will be attending the covered dish banquet.

Mike Shivers Signs With Baylor Tuesday

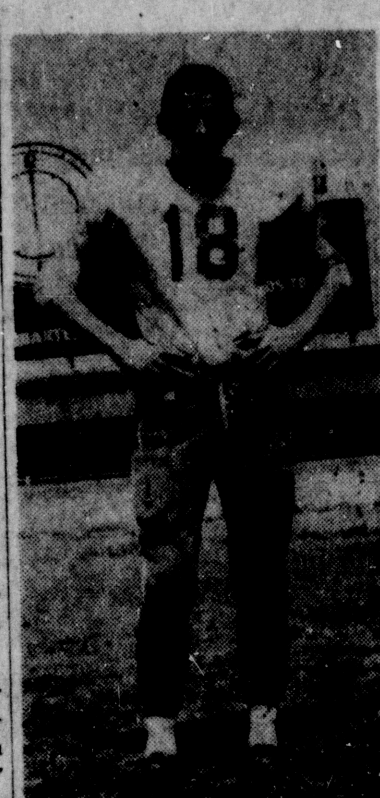

Mike Shivers, Hamlin's tremendous pass catching end, signed a pre-enrollment application with Baylor University here Tuesday afternoon. Making the prize catch for Baylor was Herb Zimmerman, assistant football coach.

Zimmerman said, "We are real proud to get Mike, he will fit into our program real well — he is a fine receiver and we like to pass."

Shivers was selected on the Star Telegram's Class 2-A All State team as the standout lineman and then as the only 2A boy on the same paper's 'Super' All-State team.

Shivers speared 50 passes for 1,039 yards and nine touchdowns for the Pied Pipers.

Shivers was also named outstanding lineman in the Abilene Reporter-News all-area selections. This was Shivers' second year to be named to this team.

MIKE SHIVERS signs with Baylor

Shivers will sign a letter of intent with Baylor after he finishes basketball and track this spring.

Shivers is the son of Mr. and Mrs. L. W. Shivers and is a three year letterman in football and a standout basketball player.

Longtime Resident Of Hamlin, Mrs. Harless, Dies Here

Mrs. Nancy Dixon Harless, 85, a resident of Hamlin for 61 years, died at Holiday Lodge Thursday, Feb. 4 at 12:00 a. m. following an illness of one month.

Mrs. Harless was born June 23, 1879, in Coryell County, the daughter of the late Mr. and Mrs. C. H. Dixon in Edwards County Oct. 4, 1904. He died in 1955. She was married to J. W. Harless in Hamlin in 1959. He passed away in 1961.

She was a member of Faith Methodist Church where services were conducted Friday at 2:30 p. m. by the pastor, Rev. Tommy Ewing, and Rev. William Irwin, pastor of North Central Avenue Baptist Church.

Burial was in Bethel Cemetery in Funston.

Survivors include two sons, W. T. Dixon of Hamlin, Jack of Wellington; two daughters, Mrs. Ruth Lee of Hamlin, Mrs. Minnie Beasley of Shamrock; one sister, Mrs. H. E. Moore of Dallas; 27 grandchildren; 35 great - grandchildren and one great - great - grandchild.

Pallbearers were Barney Smith, R. A. Cary, Sr., Jack Bond, C. A. Carter, O. C. Stice, and Odell Hayes.

Bridge Winners

Winners of the Hamlin Duplicate Bridge Club meeting held Tuesday night were as follows:

Mr. and Mrs. Henry Albritton, first; Mrs. W. L. Hunter, Jr., and Mrs. Floyd Brisco, second; Mrs. Preston Morrow of Rotan and Mrs. Grady Bowdry of Stamford, third.

The club meets every Tuesday evening at the Oil Mill Guest House.

Ned Moores To Attend West Texas C of C Meel

Mr. and Mrs. Ned Moore will attend a one-day Community Leader's Workshop in Brownwood on Feb. 16, one of four such sessions scheduled Feb. 15-17 in Denton, Brownwood, Big Spring and Amarillo.

The workshops are co-sponsored by the West Texas Chamber of Commerce's Community Services Committee and the local chambers of commerce in the four cities. Involved in the four meetings are local chamber leaders from 157 communities in the 132-county WTCC territory.

Mrs. Moore is secretary of the Hamlin Board of Community Development and Mr. Moore is manager of the Hamlin office of the West Texas Utilities Company and a director of the BCD.

Keynote speaker for the Brownwood workshop, and also at the other three workshops, will be Frank Mueller, manager of the State Chamber of Commerce Service Department for the United States Chamber of Commerce.

During part of the day separate sessions will be held for chamber presidents and other officers, board members and committee chairmen, and chamber managers. Afternoon sessions will be devoted to developing the local chamber program of work, financing chamber activities, and to committee management discussions.

The workshop will open at

James Burkhart Gets Promotion

James Loyd Burkhart, senior petroleum engineer for Pan American Oil Co., has been promoted to area petroleum engineer with headquarters in Monahans.

Burkhart, son of Mr. and Mrs. Loyd Burkhart, will assume his duties March 1. He and his wife, the former Jere Lynn Irwin of Hamlin, have three children. They have been living in Fort Worth.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN—Gov. John Connally's plan to raise teacher pay proposals have drawn fire from the Texas State Teachers Association. And Connally has reciprocated.

Connally wants less of an immediate pay raise than the \$45 a month the teachers ask. He wants to set up a 10-year program for steady and regular increases which in time would amount to greater rewards for more experienced teachers.

House Speaker Ben Barnes and Rep. George Hinson of Mineola, who is sponsor of the TSTA-backed "45 in '65" program, both called for a cooling-off period. Compromise seemed unlikely due to strong feeling on both sides.

Sen. Jack Strong of Longview and Rep. W. S. Heatly of Paducah, chairman of the House Appropriations Committee, introduced the Governor's 10-year pay plan—with substantial support. Among sponsors of the two bills are 17 House members who endorsed both measures.

Teachers complain the Connally program offers too little, too late. They charge it would put 70 per cent of raises on local school districts.

Connally produced figures showing cost of the 10-year

program at \$40,200,000 for the next biennium. He said the state would pick up \$32,100,000 of the tab and local districts \$8,000,000. His financing plan suggests that local school boards start paying a share of the cost of textbooks and teacher retirement, now paid wholly by the state.

Connally believes his program would maintain the 80-20 cost ratio between state and local districts.

Meanwhile, teachers launched a campaign for their \$85,000,000 salary adjustment program (geared to an additional \$68,000,000 state out-lay for the biennium).

Pressure is intense on legislators, both from the Governor's office and from the teachers back home. Mail is piling high on lawmakers' desks.

Speaker Barnes said it will be three months before the Legislature can even consider a teacher's pay raise, since it has to pass the complicated appropriations bill first.

An all-out war now would injure all educational efforts under consideration, Barnes emphasized.

Redistricting Resolution Passed—Both houses of the Legislature overwhelmingly adopted a resolution calling for

TOP SALESMAN—Charles H. Tugwell of Hamlin, junior field salesman for Hughes Tool Company, Oil Tool Division, receives a personalized plaque as one of eleven outstanding salesmen for the company. Shown with Tugwell is W. H. Siemas, vice president, marketing, left, and Park L. Myers, vice president, domestic sales. Tugwell went to Houston to receive the honor and to tour the Hughes plant.

a federal constitutional convention to permit one legislative chamber to be apportioned on factors other than population.

Thirty-four states must adopt the identical proposal before Congress has to consider calling a convention on a specific amendment. Three-fourths of the states must ratify any amendment thus submitted.

At least half a dozen proposals for congressional redistricting have been filed so far, plus bills for Senate redistricting and House redistricting.

Rep. Gus Mutscher of Brenham told his House Committee on Congressional and Legislative Districts he will canvass all representatives for their views on reapportioning the state.

House members are trying to work out a cooperative House redistricting plan, taking into consideration those who do not plan to run for other offices.

Other two — congressional and senate — redistricting jobs will not be settled so amably. As one legislator put it, "It's going to be a mean session."

Bills To Governor — The Legislature acted fast on two emergency budget requests by Governor Connally.

One called for \$702,785 in emergency appropriations to run some dollar - short agencies and programs. Included were \$250,000 for carrying on the state's share of the screw-worm eradication program for three months after April 1 and \$290,000 for speeding up the Texas Water Commission's planning program.

Other bills set up procedures and a library plan by which cities can take advantage of a \$2,500,000 library building appropriation voted by Congress for Texas.

Both requests were granted in a matter of days.

Tax Bill Pushed — Rep. Ben Atwell of Dallas, Chairman of the House Revenue and Tax Committee, is pushing a bill to raise \$15,300,000 under present tax laws.

Bill would repeal sales tax exemption on farm machinery and telephone and telegraph service; revise inheritance tax laws; repeal chain store tax (\$7,200,000 loss) and theater admissions tax (\$1,200,000 loss); and grant a tax exemption for natural gas used in exploration and production in the same field where it is produced.

Serious consideration of tax bills must await passage of the general appropriations bill, Atwell said.

Sale of State Leases — Land Commissioner Jerry Sadler reports \$39,000,000 in high bids on 475 tracts were received by the State School Land Board. It was the biggest oil and gas lease sale in Texas history.

Highest single bid was Dow Chemical's \$1,077,000 for a submerged Gulf tract in Matagorda County. Second high was from Will Odum of Austin—\$1,066,000 for another Gulf submerged tract in Kennedy County.

Governor's Program Introduced—Most of the governor's program already has been introduced in some form in one or both houses.

Bills or constitutional amendments filed would:

Set up an 17-man coordinating board over the state system of higher education;

Repeal state property and poll taxes;

Establish a State Department of Mental Health;

Tighten driver license laws; Provide four - year terms for state officials;

Combine the Migrant Labor Council with Texas Good Neighbor Council;

Insure equal rights for women;

Establish a \$10,000,000 college building fund;

Set up a college student loan fund;

Create a Fine Arts Commission;

Revise the Texas election code; and

Free the Texas Water Commission for water rights administration and make Texas Water Development Board responsible for all water planning, financing and development activities.

Building Highest — Building shattered all records during 1964. Total permits issued in the state came to \$1,600,000,000 or seven per cent more than 1963, according to UT's Bureau of Business Research.

Bulk of the increase came from a 25 per cent gain in non-residential buildings, principally industrial structures which were up a sensational 92 per cent. Home building authorizations dropped three per cent, while permits for alterations and repairs were up two per cent.

Non - metropolitan areas led the construction surge with a 30 per cent gain over the previous year. Metropolitan areas gained only three per cent.

The city with the biggest gain was Longview. Other big gains were shown in San Angelo, Lubbock, Tyler, Fort Worth, Odessa and Irving.

Short Shorts — Bill authorizing the State Railroad Commission to order pooling of separately - owned oil and gas interests in standard proration units has cleared the Senate Oil and Gas Committee.

A four - system geographic grouping of colleges, rivaling a three - system set-up proposed by Governor Connally, is called for in a bill by Sens. Dorsey Hardeman of San Angelo and H. J. Blanchard of Lubbock.

Continuation of the Veterans' Land Program with another \$200,000,000 bond program is proposed in constitutional amendments introduced in both the House and Senate.

Sen. D. Roy Harrington of Port Arthur is author of a bill to establish a Texas mediation service for voluntary settlement of intrastate industrial labor disputes.

Updating of workmen's compensation law is proposed in a bill by Rep. David G. Haines of Bryan.

Fewer Texans are driving over 70 m. p. h. these days than did in late 1963, according to a Texas Highway Department radar check.

Package store operators are making a second try to get an 8 p. m. closing time for liquor stores because 8 to 10 p. m. is when the majority of bachelors occur, they claim.

Parks & Wildlife Department reports that 1964's record number of hunters had only 10 fatalities, a decrease of eight from 1963.

Continued storm activity in the Plains area and in the north-central part of the state contributed to a 4.0 per cent state wide average increase in fire and allied insurance last year, according to the Board of Insurance.

Grandson Dies in Bossier City, La.

Lloyd Dodson, 47, grandson of Mr. and Mrs. Dick Allen of Hamlin, died Jan. 29 at Highland Hospital in Bossier City, La.

Funeral was held at 2 p. m. Jan. 31 in Rose - Neath Funeral Home Chapel at Bossier City. Masonic rites were held at 4 p. m. in Wallace Cemetery at Bossier City.

He was reared by his grandparents here and graduated from Hamlin High School. He had been working for Tri-State Oil Tool Industries, Inc.

Formerly a resident of Natchez, Miss., he moved to Bossier City 12 years ago. He was a member of the First Baptist Church in Oil City, Miss., and the Andrew Jackson Masonic Lodge in Natchez.

Survivors include his widow, Geraldine; three sons, Don and

Jerry, both of Bossier City, and Hugh of Golden Meadow, La.; one sister, Mrs. Nettie McFadden of Dallas; and one grandchild.

Mr. and Mrs. Frank Allen and family of McCaulley attended the services.

Jerry Douglas Civil Rights Suit in Abilene Feb. 3

Jerry Mack Douglas, 26-year-old Aspermont farmer, won a \$10,000 judgment in his

THE DALLAS HERALD

Hamlin, Texas, Thursday, February 11, 1965

civil rights suit against two former Hamlin policemen Wednesday, Feb. 3, in federal court in Abilene.

Losing the suit were two brothers, Frank Chapman, 38, now of Corsicana, and Robert Chapman, 27, presently in the Army at Fort Sill, Okla. They conducted their own defense.

Douglas had sued the pair for \$25,000 after he paid they chained and handcuffed him Dec. 5, 1963, when they trans-

ferred him from jail to Aspermont to the Jones County jail at Abilene.

The charge was violating arrest and leaving the scene of the arrest the night before, when the younger brother stopped Douglas just north of Hamlin for speeding through the town.

U. S. District Judge Leo Brewster awarded Douglas \$10,000 actual damages and \$5,000 exemplary damages.

If you're going to enter something like the Pure Oil Performance Trials, you might as well do it to win.

So we did. Class IV—won by Buick Special.

Down at Daytona Beach, we gave everyone another look at Buick's "Win Policy". A V-8 Buick Special won over stiff competition (sorry, boys!) in Class IV—in the 1965 Pure Oil Performance Trials. The winning Special was equipped with our 300 cubic inch Wildcat 310 V-8 and Super Turbine Transmission.

Remember that the drivers in the Performance Trials are skilled professionals, and the cars finely tuned standard production models. (If it can be said that the Special is "Standard" anything.) Also remember that the trials are an exhausting, carefully graded test of a car's all-around ability. In economy, acceleration and braking, Small wonder the Special came out on top. Handsomely.

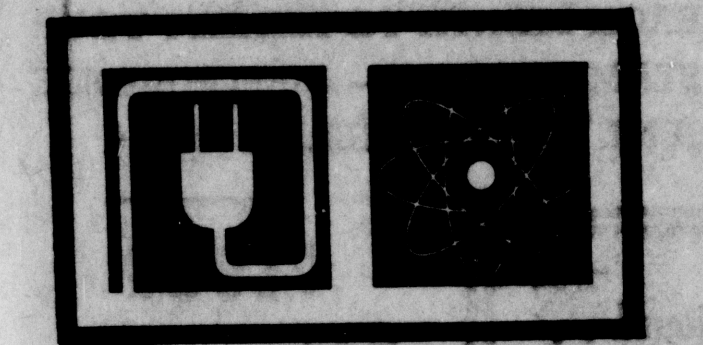

(The specific detail? Our hero averaged 20.689 mpg in economy, to score second among 10 cars. It accomplished the acceleration test—from 25 to 70 mph—in 9.315 seconds, for a fifth. And took another second in braking: from 65 to 0 mph in 172.0 feet. The cumulative result: we won all the marbles in Class IV.)

Now then. If you're going to enter something—like a car—you might as well do it to win, too. Your Buick dealer can introduce you to the driver's seat of a Buick Special.

County Agent Warns That Lice Are Listed as Most Damaging Beef Cattle Parasite in United States

Lice are responsible for rather serious monetary losses to the beef cattle industry, according to Jones County Agent, Kirby Clayton. Unfortunately, many of the losses are not very obvious and consequently do not seem to be of importance to many cattlemen. Thus, each year lice continue to take their toll on beef cattle profits and are listed as the most damaging beef cattle parasite in the United States.

Cattle lice infest all kinds of cattle, but the greatest losses, says Clayton occur in young animals and unthrifty older animals. Three types of lice infest cattle in West Texas. These are the long-nosed cattle louse (sucking - types), and the little red cattle louse (biting types). Sucking lice are larger than chewing lice, and are slate blue in color. They feed by piercing the skin and sucking blood. Chewing lice are yellowish with red heads and dark bands across their bodies. They are smaller than sucking lice, and feed by chewing the skin.

Sucking lice are usually found on the sides of the neck, brisket, back, inner surface of the thighs, tail, and the head around the nose, eyes, and ears. The entire body may become infested. Chewing lice are usually found on the withers and around the root of the tail, but they may infest other parts of the body.

Infested cattle spend much time rubbing against fences and other objects. Even though the lice seldom cause death the economic loss to beef production can be very large.

A heavy lice infestation takes its greatest toll by reducing weaning weights of calves. Cows infested with lice are required not only to feed themselves and their calf but also a population of lice. These insects also cause a great deal of annoyance and discomfort to infested animals. Allowing cows to be weakened by a heavy infestation can also decrease per cent calf crop. In the feed lot lice can reduce gain and increase the feed required per pound of gain.

Cattle lice population build rapidly when the weather cools off in the fall. Only a few lice live through the summer. In the fall, the mature lice lay their eggs by attaching them to the hair of the animals.

The eggs of the sucking lice hatch in 17 to 21 days. It then takes about two weeks for them to reach maturity and start a new generation. Thus several generations may occur during the winter. The eggs of

the biting louse hatch in 10 to 14 days.

Lice can be controlled by using Co-ral, Lindane, Malathion, Methoxychlor, Ronnel, Ruelene, Sevin, Toxaphene or Delnav spray according to directions on the container.

for a copy of L-390 "Cotton Root Rot" and also for other publications dealing with plant diseases. The group took a one-day tour through the mountains north of Durango, Colo.

Most plant diseases, explains Clayton can be prevented and the logical starting point for a disease control program is the planting of disease-free stock.

Mr. and Mrs. Henry Downey visited with his brother, E. L. Bassing in Bloomfield, and they

Wayne Boatright, son of Mr. and Mrs. E. W. Boatright has just finished electronics school in Bixby, Miss. He will be stationed at Vandenberg Air Force Base in Santa Maria, Calif.

Home Owners Can Avoid Later Troubles by Buying Healthy Plants

Home owners can head-off later troubles by purchasing only disease-free and healthy plants, advises County Agent Kirby Clayton.

He offers the following suggestions to those who may soon be buying transplants or nursery stock. If at all possible, check the roots systems to see they are free of such diseases as rots, galls or knots. Avoid buying any plant that does not have a healthy appearing root system.

Also, make sure the stems of the plant or plants are healthy in appearance. Dead areas or cankerous - type lesions often found on stems may later develop and kill the plant, he warns. Then too, he adds, diseases can be carried to

healthy plants already growing through the planting of those with disease.

When purchasing bulbs, make sure they are not discolored and do not have scab type lesions on the surface. Healthy bulbs will have smooth surfaces free from spots and pittings, the agent says.

Watch for signs of leaf spot on evergreens and check their color for uniformity and a healthy growing condition. It may be money well spent to buy the top grades of nursery stock, says Clayton.

Because some ornamentals are extremely susceptible to diseases which occur in a given area, the county agent suggests that only plants with resistance to these diseases be selected. Cotton root rot for example, is very common over much of Texas and should be considered when plants are being selected. A list of plants which show the most tolerance for this disease is available at county Extension offices. Ask

BASKETBALL.
Old Glory girls entered Hamlin - Simmons' 13th annual Invitational Girls high school basketball tournament last week. In Thursday they won the game over Avoca 66-28. Stephanie Letz made 18 field goals in that game which was the highest for the day, adding four charity points making a total of 40. The girls were defeated by Trent on Friday.

Grade school teams played Paint Creek on Thursday night and Rule on Friday night. Both matches brought victories for the girls team and defeat for the boys.

A Silver Wedding anniversary celebration was held in the Sons of Herman Hall on Monday night, Feb. 1, honoring Mr. and Mrs. Henry Schmidt. Among those attending were Mr. and Mrs. Manel Bosse, Mr. and Mrs. Paul Koch, Mrs. Anderson, Mr. and Mrs. Paul Anderson and daughters, Janelle and Paula, all of Lueders, also Mrs. Lillie Thane, Mr. and Mrs. Manuel Thane and Danny of Ericksdahl.

Mr. and Mrs. Wesley Tabb and children of Odessa visited Mrs. Tabb's parents, Mr. and Mrs. Herbert Klump, last Sunday.

Mr. and Mrs. Otto Dudensing and Mr. and Mrs. Henry Schmidt visited in Abilene last Friday.

Mrs. Cecil Klump, high school English teacher here, has enrolled in an in-service course in "Linguistics for English Teachers." The 18 clock hour course, offered by the Texas Education Agency, will be held in Sweet-

water beginning Feb. 27. Dr. Thomas Fairclough of Midwestern will be the instructor.

Mrs. Bernice White and Judy were in Abilene on Tuesday of last week. They also visited Wylie School and had lunch with Mrs. V. R. Leverett at the Wylie School Cafeteria.

It was announced last week that V. R. Leverett has been given a three-year contract as superintendent of Wylie Independent School by the board of trustees.

Mr. Leverett had been superintendent of Old Glory School for ten years when he resigned last fall to accept the position at Wylie.

Mrs. Andrew Anderson of Lueders spent several days last week with her sister, Mrs. Henry Schmidt and Mr. Schmidt.

Mr. and Mrs. Gene Linder and daughter, Tracy of Abilene, were dinner guests Sunday in the home of Mr. and Mrs. T. W. Jennings on the Rayner Ranch.

News has been received by relatives and friends of Vernon McBroom of his serious illness in a hospital in Corpus Christi. Vernon is the son of Mrs. John McBroom of Haskell and her late husband, who were longtime residents of Old Glory. We wish him a hasty recovery.

Mr. and Mrs. Floyd P. Davis of Abilene, former residents of Old Glory area, are announcing the engagement and approaching marriage of their daughter, Mary Lou, to Douglas Wayne Lee, son of Mrs. Pauline Williams of Austin.

Mr. E. R. Harper will officiate for the couple's wedding at 7:30 p. m. Mar. 5, in Highland Church of Christ in Abilene.

Lee is a graduate of San Benito High School and attended Abilene Christian College. He is employed in Peoria, Illinois by the Caterpillar Company.

Miss Davis is a graduate of Abilene High School and is employed by Taylor County Attorney, James E. Jeffrey.

Beno Hertenberger has returned home and is doing well after undergoing surgery in Wichita Falls last week.

Recent guests in the home of Mr. and Mrs. Lynn Flowers were the following relatives: Mr. and Mrs. J. C. King, San Angelo, Mr. and Mrs. Dan Hud-

speth and son, Michael Lynn of Fayetteville, Ark., Mr. and Mrs. Hilton Hudspeth, Fayetteville, Ark., Mr. and Mrs. Glenn Huls, Hereford, Mrs. E. L. Calhoun and her sister, Mrs. Jacob Bacon, both of Jackson, Miss. Other guests who called were Mr. and Mrs. Bill Tipton and Patti Bradshaw, Mr. and Mrs. A. F. House and Mr. and Mrs. Ben Klump.

Mr. and Mrs. Herbert Klump visited relatives in Lubbock last Saturday.

Mr. and Mrs. Garrett Spitzer and Weldon and Mrs. W. G. Wienke were in Lubbock last week end visiting Mr. Wienke who is in a rest home there. They also visited the Roy Wienkes and other relatives and friends there.

V. R. Leverett, Sharon and Jimmy of Abilene attended church here last Sunday and visited with the Sandy Leveretts. Sharon also visited Judy White.

Mr. and Mrs. Morris Garner were in Abilene last week end visiting with their son and family, the Loy Garners.

5,730 to Take Army Examinations

AUSTIN — State draft boards will forward around 5,730 males for Army mental-physical examinations in March —1,150 of whom will be 18-year-olds, Colonel Morris S. Schwartz, state Selective Service director, said Tuesday.

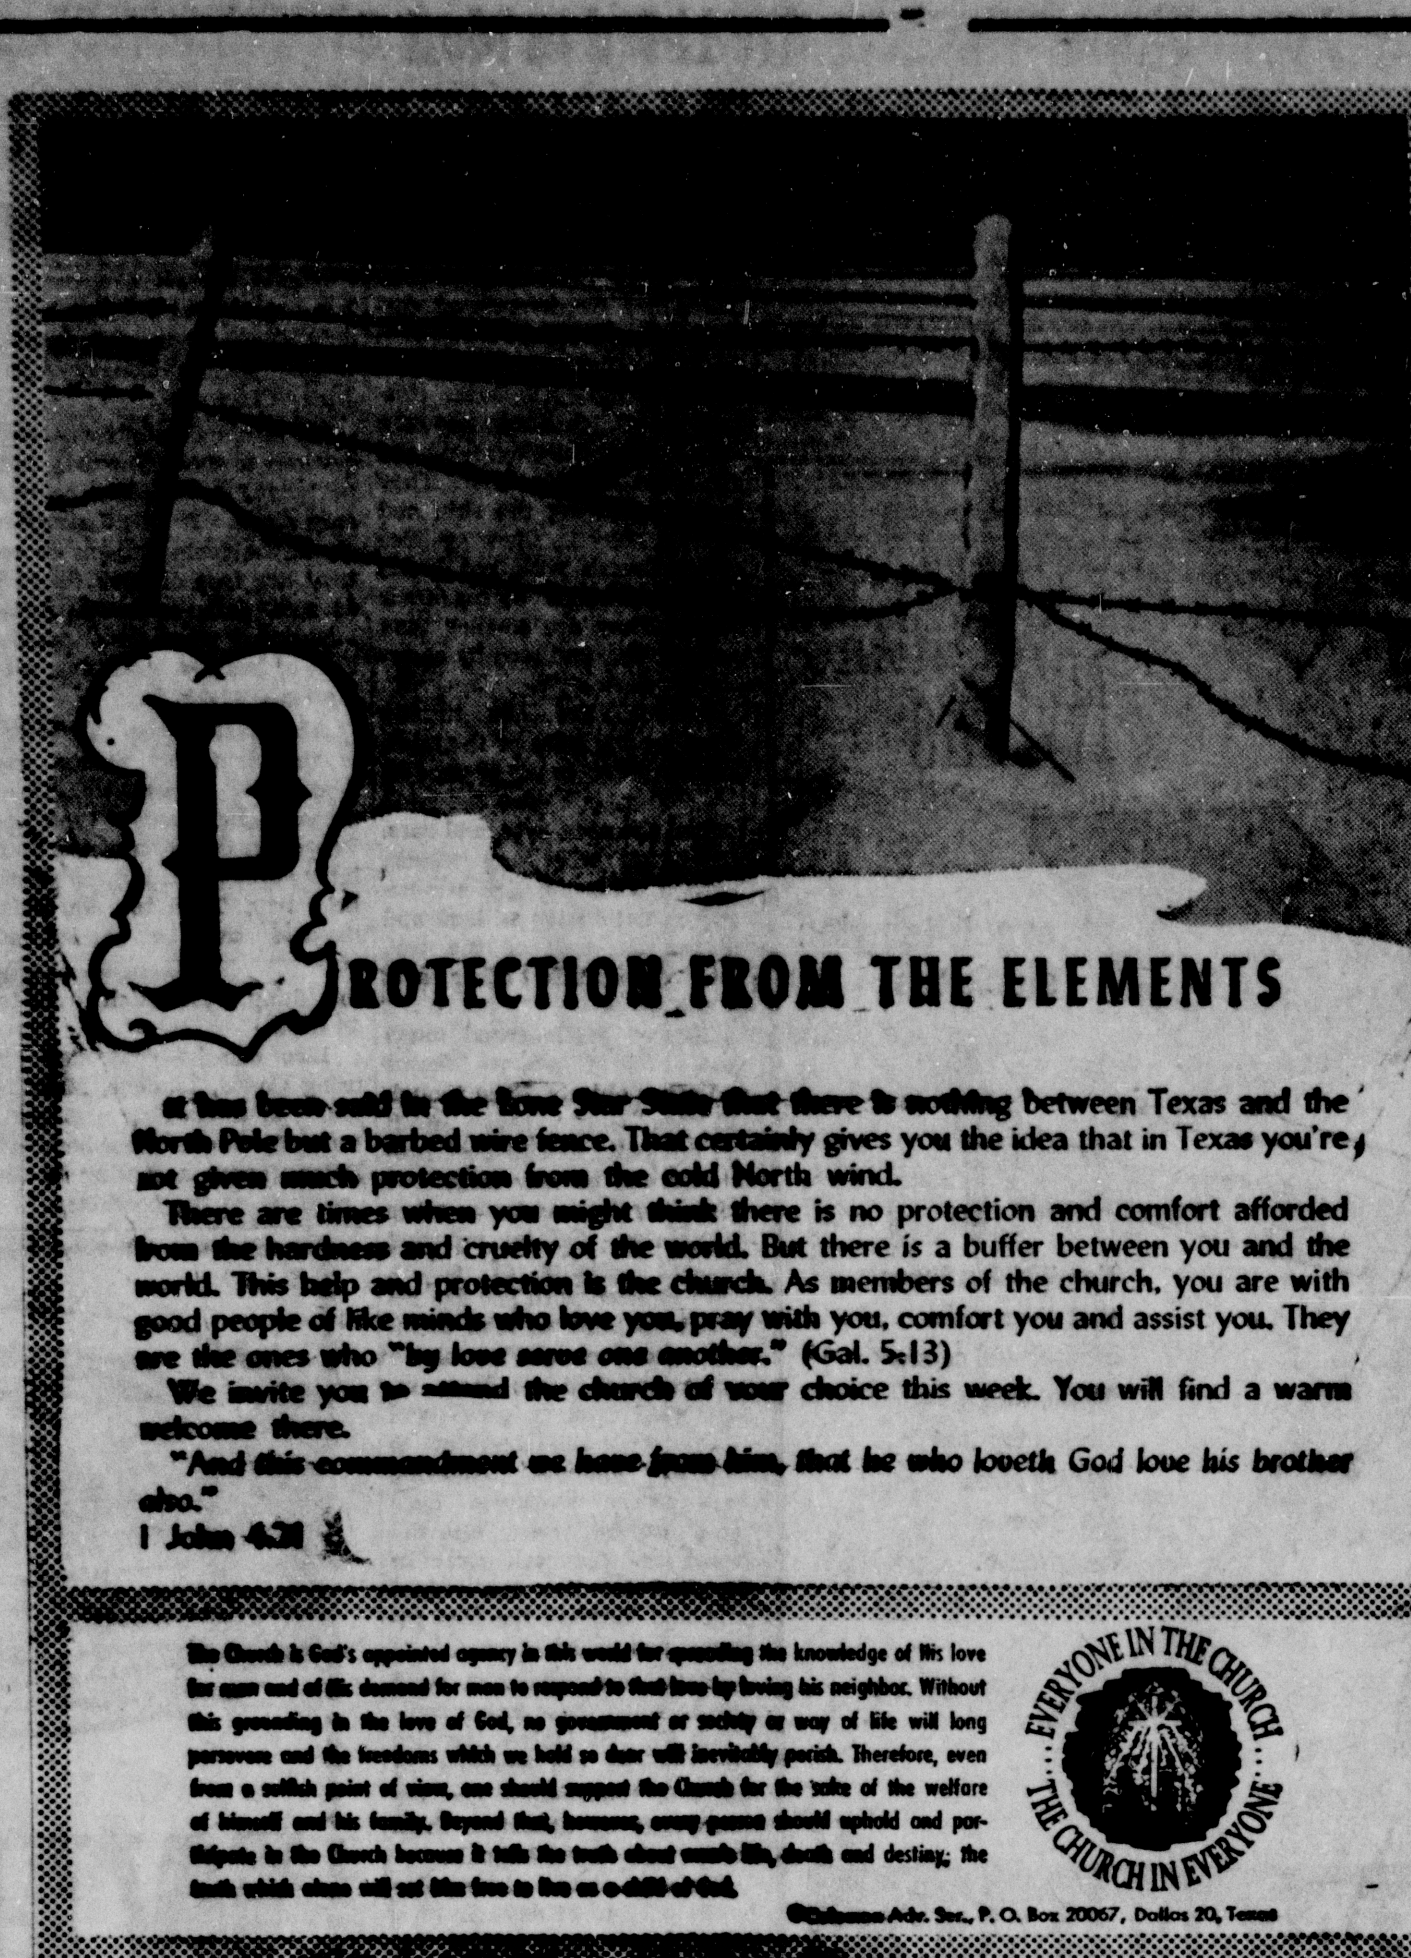

These tests for 18-year-olds are the result of President Johnson's action in 1964 which ordered the Director of Selective Service and the Secretary of Defense to examine all newly registered men who are out of school and available for service. Males married at age 18 and those known to be in school at that age will not be examined.

Colonel Schwartz stressed that these youths will not be considered for the armed forces at this time. Normally, draft for service is about age 22.

The state draft quota for March calls for 155 men, compared to 119 for February. The March quota is the Texas share of a national call for 3,900 men, all for the Army.

The March quotas already have been figured and sent to the state's 137 local boards.

Casa Grande, now a National Monument, is a four-story apartment house built 600 years ago by Salado Indians in Arizona.

PROTECTION FROM THE ELEMENTS

It has been said in the home Star State that there is nothing between Texas and the North Pole but a barbed wire fence. That certainly gives you the idea that in Texas you're not given much protection from the cold North wind.

There are times when you might think there is no protection and comfort afforded from the hardness and cruelty of the world. But there is a buffer between you and the world. This help and protection is the church. As members of the church, you are with good people of like minds who love you, pray with you, comfort you and assist you. They are the ones who "by love serve one another." (Gal. 5:13)

We invite you to attend the church of your choice this week. You will find a warm welcome there.

"And this commandment we have from him, that he who loveth God love his brother also." 1 John 4:21

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long prosper and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set the free to live as a child of God.

You could save hundreds of dollars! If you're one of the thousands who plan to change car makes, visit your Rambler dealer — even if you've never considered Rambler before.

It's the one car that dares to be compared. The Car X-Ray Book gives you 48 pages of side-by-side photographic comparisons on size, room, engines, features, style, prices.

Check the vital facts on Rambler and 16 other popular makes. X-Ray reveals that Ambassador by Rambler, with its brilliant

new Torque Command 232 engine, has more standard 6-cylinder power than Ford, Chevrolet or Plymouth. That only Rambler and Cadillac among U. S. cars have separate braking systems front and rear, standard.

All this and more in 1965's X-Ray Book — available only at your Rambler dealer. Stop in and ask for your free copy. See and try the spectacular new Ramblers — the new 1965 American, Classic, Ambassador.

American Motors — Dedicated to Excellence

An analysis by R. L. Polk & Co. indicates that in an average week 57,200 owners of Buicks, Chevrolets, Fords, Oldsmobiles, Plymouths and Pontiacs will switch from the make they own to another make.

YWA's Present White Bible to Barbara Embrey

The Lavonia Duck Y.W.A.s of Central Avenue Baptist Church presented Miss Barbara Embrey with a white Bible Sunday night. Miss Sheila Stone, president, told of the house of happiness which can be attained with God's guidance.

The Y.W.A. girls lighted candles of different colors, representing various moods, from the white candle held by their director, Mrs. William Irwin, and formed a semicircle around Barbara. The pastor, Rev. William G. Irwin presented the white Bible as members of the YWA quoted Psalm 119:105, "Thy word is a lamp unto my feet, and a light unto my path."

Visitors were Mrs. Routh and Mrs. Calvin Bailey.

FAIRVIEW NEWS

Mrs. Elmer Joiner
Winter is back in town again this morning, after some more mild weather. To prove that we haven't had the usual cold weather, we might say that fruit trees were in bloom, in some places, even before January was over. Since they are blooming so early there probably won't be any fruit of any kind in this area, however, this is West Texas, you can't make any true predictions.

Little Keenan Wright was carried to the hospital late Saturday night with high fever. He had a severe throat infection, and it is hoped that he will soon be recovered.

Mrs. Henry is feeling much better, but wasn't up to getting off to church Sunday.

Jimmy Holmes is reported to still be improving in the hospital in Big Spring after suffering a heart attack.

Mr. and Mrs. Flavil Holmes went to Big Spring Sunday afternoon to see Jimmy.

Eleven adults were present Wednesday night to participate in the study course. Since the study course will run for three Wednesday nights, the Family night for January was not held, but will be continued in February.

Mr. and Mrs. E. A. Henry visited with Mr. and Mrs. Joe Ford, Friday afternoon.

Saturday afternoon Mr. and Mrs. Ford visited with the Woodrow Goodwins.

Mr. and Mrs. Fred Rosenbaum went to see Mr. and Mrs. Flavil Holmes Saturday night.

Kay McCoy came home from Texas Tech last week end to get her new car, which replaces the one demolished in the wreck Jan. 9. This one is an aquamarine blue Comet. May she have better luck with this one. Kay is fully recovered from the affects of the wreck.

Mr. and Mrs. Woodrow Goodwin were Sunday afternoon visitors of the Raleigh Bonds.

Mr. and Mrs. Joe Murff moved to Hamlin last week after having lived the past year in the Rose house. They bought the home of Mr. and Mrs. Curtis Martin on Avenue A. Mrs. Martin recently passed away and Mr. Martin went to live with his daughter after selling his home.

Monday night visitors of the Rosenbaums were Mr. and Mrs. H. L. Ford. Mr. and Mrs. Elmer Joiner visited them Tuesday night. They entertained both nights with some hot games of 42.

Word has been received that the Rev. Doyle Combs has resigned from his Andrews church, Sunday being his last day there. They moved their belonging last week to Strawn, Texas, where he will publish a newspaper.

Sunday afternoon visitors of Mr. and Mrs. Winslow Gray were Mr. and Mrs. Mel Jones.

McCaulley Jr. 4-H Club Meets Feb. 9 With 16 Present

The McCaulley Jr., 4-H Club met Feb. 9 at the McCaulley Home-making Building with 16 members and three leaders present.

Kathy Maberry, vice president, presided.

The club motto, pledge and prayer were led by Precilla Reed and Phyllis Cleveland.

Mrs. W. D. Cleveland gave a talk on District Contest teams. They made plans for demonstration teams to go to district.

Ann Kemp, Junior leader, gave a demonstration on making cookies and served them to the group.

Adult leaders present were Mrs. Jerry Maberry and Mr. and Mrs. W. D. Cleveland.

The next meeting will be Feb. 23 with Mrs. Alice Ballinger, Fisher County Home Demonstration Agent, and James Norman, Fisher County Agent, directing the demonstrations.

Central Avenue Baptist WMS Sets Meeting Tuesday

The Women's Missionary Societies of First Baptist Church and of Central Avenue Baptist Church will meet together Tuesday, February 16 for a covered dish supper and mission study. The meeting will begin at 5:30.

The book, "Winds of Change" by Gerald Palmer, will be taught by Mrs. William Irwin. This book is a study of missions within the United States. All women are urged to attend.

Gift Tea Friday Honors Bride-to-Be Barbara Embrey

Barbara Embrey, bride-elect of Andy Shipp, was honored at a gift tea Friday night at the home of Mrs. Floyd Wallace. Mrs. Wallace greeted guests at the door. Receiving guests with Mrs. Embrey were her mother, Mrs. Roy Embrey; the bridegroom's mother, Mrs. M. D. Brown.

Guests were served from a table centered with a monogrammed net heart, and decorations carried out the Valentine theme. About forty friends and relatives signed the guest

book, which was designed by Mrs. Melvin Scott.

Others in the house-party were: Mrs. Bobby Seftree, Mrs. Herbert Crouch, Mrs. Joe Castle, Mrs. Robert Rhodon, Mrs. John Corley, Mrs. Joe Lewis, Mrs. Delbert Smith, Mrs. Barney Smith, and Mrs. William Irwin.

Miss Embrey and Mr. Shipp will be married Saturday evening at the Central Avenue Baptist Church.

A Silver Wedding anniversary celebration was held in the Sons of Herman Hall on Monday night, Feb. 1, honoring Mr. and Mrs. Henry Schmidt. Among those attending were Mr. and Mrs. Manel Bosse, Mr. and Mrs. Paul Koch, Mrs. Anderson, Mr. and Mrs. Paul Anderson and daughters, Janelle and Paula, all of Lueders, also Mrs. Lillie Thane, Mr. and Mrs. Manuel Thane and Danny of Ericksdahl.

Mr. and Mrs. Wesley Tabb and children of Odessa visited Mrs. Tabb's parents, Mr. and Mrs. Herbert Klump, last Sunday.

Mr. and Mrs. Otto Duding and Mr. and Mrs. Henry Schmidt visited in Abilene last Friday.

Mrs. Cecil Klump, high school English teacher here, has enrolled in an in-service course in "Linguistics for English Teachers." The 18 clock hour course, offered by the Texas Education Agency, will be held in Sweet-

water beginning Feb. 27. Dr. Thomas Fairclough of Midwestern will be the instructor.

Mrs. Bernice White and Judy were in Abilene on Tuesday of last week. They also visited Wylie School and had lunch with Mrs. V. R. Leverett at the Wylie School Cafeteria.

It was announced last week that V. R. Leverett has been given a three-year contract as superintendent of Wylie Independent School by the board of trustees.

Mr. Leverett had been superintendent of Old Glory School for ten years when he resigned last fall to accept the position at Wylie.

Mrs. Andrew Anderson of Lueders spent several days last week with her sister, Mrs. Henry Schmidt and Mr. Schmidt.

Mr. and Mrs. Gene Linder and daughter, Tracy, of Abilene, were dinner guests Sunday in the home of Mr. and Mrs. T. W. Jennings on the Rayner Ranch.

News has been received by relatives and friends of Vernon McBroom of his serious illness in a hospital in Corpus Christi. Vernon is the son of Mrs. John McBroom of Haskell and her late husband, who were long-time residents of Old Glory. We wish him a hasty recovery.

Mr. and Mrs. Floyd P. Davis of Abilene, former residents of Old Glory area, are announcing the engagement and approaching marriage of their daughter, Mary Lou, to Douglas Wayne Lee, son of Mrs. Pauline Williams of Austin.

Mr. E. R. Harper will officiate for the couple's wedding at 7:30 p. m. Mar. 5, in Highland Church of Christ in Abilene.

Lee is a graduate of San Benito High School and attended Abilene Christian College. He is employed in Peoria, Illinois by the Caterpillar Company.

Miss Davis is a graduate of Abilene High School and is employed by Taylor County Attorney, James E. Jeffrey.

Beno Hertenberger has returned home and is doing well after undergoing surgery in Wichita Falls last week.

Recent guests in the home of Mr. and Mrs. Lynn Flowers were the following relatives: Mr. and Mrs. J. C. King, San Angelo, Mr. and Mrs. Dan Hud-

speth and son, Michael Lynn of Fayetteville, Ark., Mr. and Mrs. Hilton Hudspeth, Fayetteville, Ark., Mr. and Mrs. Glenn Huls, Hereford, Mrs. E. L. Calhoun and her sister, Mrs. Jacob Bacon, both of Jackson, Miss. Other guests who called were Mr. and Mrs. Bill Tipton and Fatti Bradshaw, Mr. and Mrs. A. F. House and Mr. and Mrs. Ben Klump.

Mr. and Mrs. Herbert Klump visited relatives in Lubbock last Saturday.

Mr. and Mrs. Garrett Spitzer and Weldon and Mrs. W. G. Wienke were in Lubbock last week end visiting Mr. Wienke who is in a rest home there. They also visited the Roy Wienke's and other relatives and friends there.

V. R. Leverett, Sharon and Jimmy of Abilene attended church here last Sunday and visited with the Sandy Leveretts. Sharon also visited Judy White.

Mr. and Mrs. Morris Garner were in Abilene last week end visiting with their son and family, the Loy Garners.

5,730 to Take Army Examinations

AUSTIN — State draft boards will forward around 5,730 males for Army mental-physical examinations in March —1,150 of whom will be 18-year-olds, Colonel Morris S. Schwartz, state Selective Service director, said Tuesday.

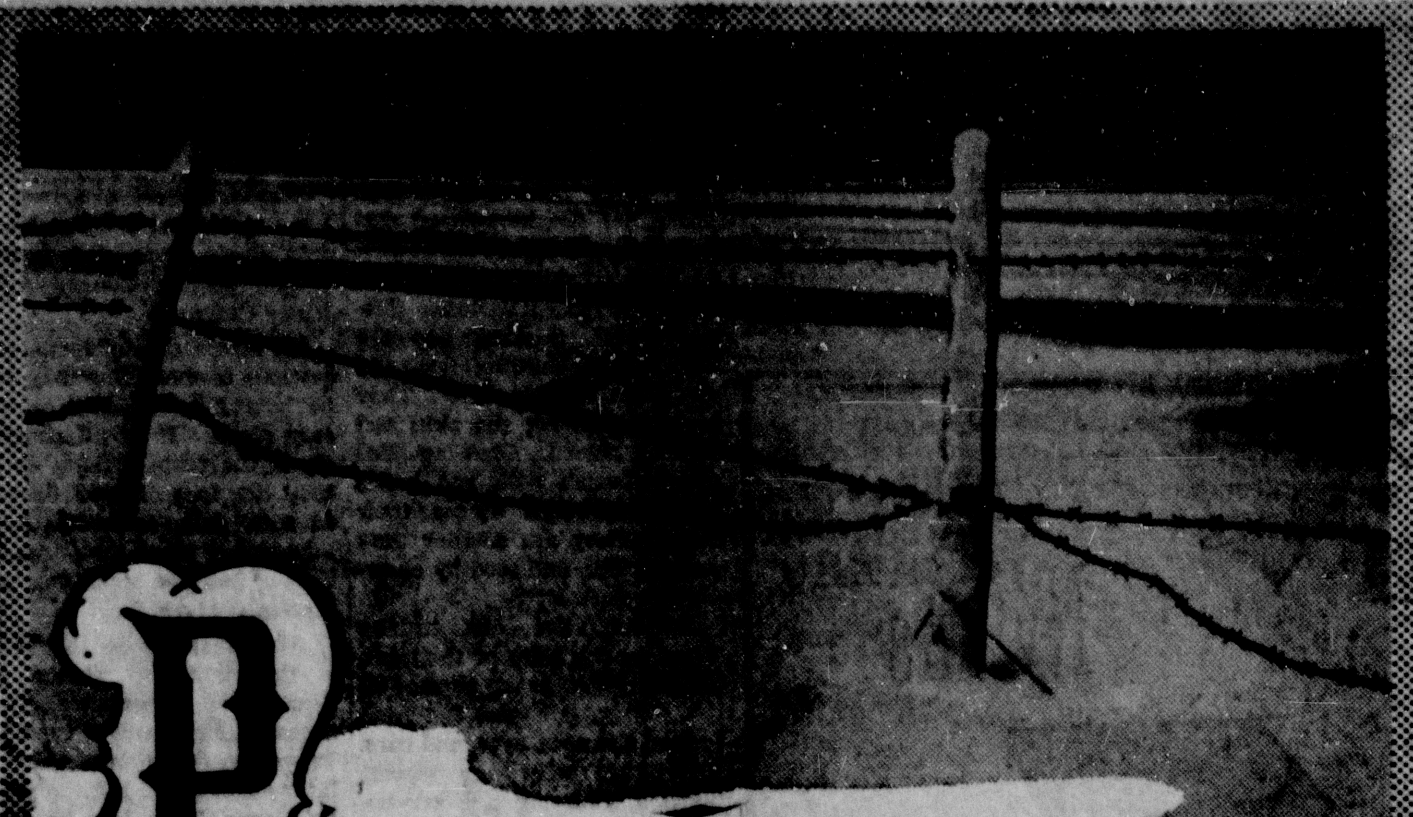

These tests for 18-year-olds are the result of President Johnson's action in 1964 which ordered the Director of Selective Service and the Secretary of Defense to examine all newly registered men who are out of school and available for service. Males married at age 18 and those known to be in school at that age will not be examined.

Colonel Schwartz stressed that these youths will not be considered for the armed forces at this time. Normally, draft for service is about age 22.

The state draft quota for March calls for 155 men, compared to 119 for February. The March quota is the Texas share of a national call for 3,900 men, all for the Army.

The March quotas already have been figured and sent to the state's 137 local boards.

Casa Grande, now a National Monument, is a four-story apartment house built 600 years ago by Salado Indians in Arizona.

PROTECTION FROM THE ELEMENTS

It has been said in the home state that there is nothing between Texas and the North Pole but a barbed wire fence. That certainly gives you the idea that in Texas you're not given much protection from the cold North wind.

There are times when you might think there is no protection and comfort afforded from the hardness and cruelty of the world. But there is a buffer between you and the world. This help and protection is the church. As members of the church, you are with good people of like minds who love you, pray with you, comfort you and assist you. They are the ones who "by love serve one another." (Gal. 5:13)

We invite you to attend the church of your choice this week. You will find a warm welcome there.

"And this commandment we have from him, that he who loveth God love his brother also."

1 John 4:21

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

If you're one of the 57,200 owners switching from Buick, Chevy, Ford, Olds, Plymouth and Pontiac next week

get this FREE 48-page car comparison X-Ray Book

You could save hundreds of dollars! If you're one of the thousands who plan to change car makes, visit your Rambler dealer—even if you've never considered Rambler before.

It's the one car that dares to be compared. The Car X-Ray Book gives you 48 pages of side-by-side photographic comparisons on size, room, engines, features, style, prices.

Check the vital facts on Rambler and 16 other popular makes. X-Ray reveals that Ambassador by Rambler, with its brilliant

new Torque Command 232 engine, has more standard 6-cylinder power than Ford, Chevrolet or Plymouth. That only Rambler and Cadillac among U. S. cars have separate braking systems front and rear, standard.

All this and more in 1965's X-Ray Book—available only at your Rambler dealer. Stop in and ask for your free copy. See and try the spectacular new Ramblers—the new 1965 American, Classic, Ambassador. American Motors—Dedicated to Excellence

An analysis by R. L. Polk & Co. indicates that in an average week 57,200 owners of Buicks, Chevrolets, Fords, Oldsmobiles, Plymouths and Pontiacs will switch from the make they own to another make.

YWA's Present White Bible to Barbara Embrey

The Lavonia Duck Y.W.A. of Central Avenue Baptist Church presented Miss Barbara Embrey with a white Bible Sunday night. Miss Sheila Stone, president, told of the house of happiness which can be attained with God's guidance.

The Y.W.A. girls lighted candles of different colors, representing various moods, from the white candle held by their director, Mrs. William Irwin, and formed a semicircle around Barbara. The pastor, Rev. William G. Irwin presented the white Bible as members of the YWA quoted Psalm 119:105, "Thy word is a lamp unto my feet, and a light unto my path."

Visitors were Mrs. Routh and Mrs. Calvin Bailey.

FAIRVIEW NEWS

Mrs. Elmer Joiner

Winter is back in town again this morning, after some milder weather. To prove that we haven't had the usual cold weather, we might say that fruit trees were in bloom, in some places, even before January was over. Since they are blooming so early there probably won't be any fruit of any kind in this area, however, this is West Texas, you can't make any true predictions.

Little Keenan Wright was carried to the hospital late Saturday night with high fever. He had a severe throat infection, and it is hoped that he will soon be recovered.

Mrs. Henry is feeling much better, but wasn't up to getting off to church Sunday.

Jimmy Holmes is reported to still be improving in the hospital in Big Spring after suffering a heart attack.

Mr. and Mrs. Flavil Holmes went to Big Spring Sunday afternoon to see Jimmy.

Eleven adults were present Wednesday night to participate in the study course. Since the study course will run for three Wednesday nights, the Family night for January was not held, but will be continued in February.

Mr. and Mrs. E. A. Henry visited with Mr. and Mrs. Joe Ford, Friday afternoon.

Saturday afternoon Mr. and Mrs. Ford visited with the Woodrow Goodwins.

Mr. and Mrs. Fred Rosenbaum went to see Mr. and Mrs. Flavil Holmes Saturday night.

Kay McCoy came home from Texas Tech last week end to get her new car, which replaces the one demolished in the wreck Jan. 9. This one is an aquamarine blue Comet. May she have better luck with this one. Kay is fully recovered from the affects of the wreck.

Mr. and Mrs. Woodrow Goodwin were Sunday afternoon visitors of the Raleigh Bonds.

Mr. and Mrs. Joe Murff moved to Hamlin last week after having lived the past year in the Rose house. They bought the home of Mr. and Mrs. Curtis Martin on Avenue A. Mrs. Martin recently passed away and Mr. Martin went to live with his daughter after selling his home.

Monday night visitors of the Rosenbaums were Mr. and Mrs. H. L. Ford. Mr. and Mrs. Elmer Joiner visited them Tuesday night. They entertained both nights with some hot games of 42.

Word has been received that the Rev. Doyle Combs has resigned from his Andrews church, Sunday being his last day there. They moved their belonging last week to Strawn, Texas, where he will publish a newspaper.

Sunday afternoon visitors of Mr. and Mrs. Winson Gray were Mr. and Mrs. Mel Jones.

McCauley Jr. 4-H Club Meets Feb. 9 With 16 Present

The McCauley Jr. 4-H Club met Feb. 9 at the McCauley Homemaking Building with 16 members and three leaders present.

Kathy Maberry, vice president presided.

The club motto, pledge and prayer were led by Prescilla Reed and Philip Cleveland.

Mrs. W. D. Cleveland gave a talk on District Contest teams. They made plans for demonstration teams to go to district.

Ann Kemp, Junior leader, gave a demonstration on making cookies and served them to the group.

Adult leaders present were Mrs. Jerry Maberry and Mr. and Mrs. W. D. Cleveland.

The next meeting will be Feb. 23 with Mrs. Alice Ballinger, Fisher County Home Demonstration Agent, and James Norman, Fisher County Agent, directing the demonstrations.

Central Avenue Baptist WMS Sets Meeting Tuesday

The Woman's Missionary Societies of First Baptist Church and of Central Avenue Baptist Church will meet together Tuesday, February 16 for a covered dish supper and mission study. The meeting will begin at 5:30.

The book, "Winds of Change" by Gerald Palmer, will be taught by Mrs. William Irwin. This book is a study of missions within the United States. All women are urged to attend.

Gift Tea Friday Honors Bride-to-Be Barbara Embrey

Barbara Embrey, bride-elect of Andy Shipp, was honored at a gift tea Friday night at the home of Mrs. Floyd Wallace. Mrs. Wallace greeted guests at the door. Receiving guests with Miss Embrey were her mother, Mrs. Roy Embrey; the bridegroom's mother, Mrs. M. D. Brown.

Guests were served from a table centered with a monogrammed net heart, and decorations carried out the Valentine theme. About forty friends and relatives signed the guest

book, which was designed by Mrs. Melvin Scott.

Others in the houseparty were: Mrs. Bobby Selfree, Mrs. Herbert Crouch, Mrs. Joe Castle, Mrs. Robert Rhuton, Mrs. John Corley, Mrs. Joe Lewis, Mrs. Delbert Smith, Mrs. Barney Smith, and Mrs. William Irwin.

Miss Embrey and Mr. Shipp will be married Saturday evening at the Central Avenue Baptist Church.
